RESOURCE / GRANT

INFORMATION / CONTACT

As the designated state unit on aging, the department upholds the provisions of the Older Americans Act as well as Pennsylvania's Act 70 of 1978. Many programs and services are available through an aging network that consists of 52 Area Agencies on Aging (AAAs), which cover all 67 counties in the commonwealth. To locate the nearest AAA or senior community center, or for more information on the Department of Aging programs, please visit www.aging.pa.gov. The department also publishes an annual guidebook called "Benefits and Rights for Older Pennsylvanians," which lists sources of help and information available to older Pennsylvanians. To obtain a copy, contact your representative or senator. The publication is also available online at www.aging.pa.gov.

THE AGING SERVICES NETWORK

Adult Day Services Centers—Technically known as Older Adult Daily Living Centers (OADLCs), this community-based program provides a protective environment for older adults and adults with a dementia-related disease, offering those who are not capable of full-time independent living an alternative to institutionalization. The Department of Aging inspects and licenses adult day service centers on an annual basis. In addition to performing annual licensure inspections, the department's Division of Licensing provides technical assistance to licensed centers to help them provide quality service to older Pennsylvanians.

For more information or to find out if funding is available to help subsidize the cost of adult day services, please contact your local Area Agency on Aging, go online to www.aging.pa.gov or call 717-214-6716.

APPRISE—APPRISE is the Pennsylvania Department of Aging's State Health Insurance Assistance Program (SHIP). Trained counselors provide free, objective information to help Medicare beneficiaries and those nearing Medicare eligibility to explore their Medicare choices. The program helps individuals understand their health insurance options in order to make informed decisions about their health care coverage. APPRISE counselors are thoroughly trained in Medicare and can also provide local, personalized information about Medicaid, Medigap, Medicare Advantage Plans, Part D prescription drug plans, financial assistance programs, and long-term care insurance. Counselors also understand Medicare rights and protections and can assist beneficiaries file Medicare appeals.

The toll-free APPRISE Helpline is 1-800-783-7067. All services are free and confidential. For more information, contact your local Area Agency on Aging or, for general questions, call the department at 717-783-1550.

Domiciliary Care (Dom Care)—The Domiciliary Care (Dom Care) program provides a supervised, homelike living arrangement for adults age 18 and older who are unable to live independently in the community. Dom Care homes are certified by the local Area Agency on Aging for three or fewer residents. Area Agencies on Aging match eligible residents to Dom Care providers with consideration of their mutual needs, preferences, and interests. Area Agencies on Aging also provide ongoing care management services to residents and conduct annual Dom Care home inspections. Residents of the Dom Care home receive assistance with self-help activities such as bathing, grooming, and laundry. Dom Care providers assure the resident receives nutritious meals, transportation to medical appointments, and assistance with self-administration of medication, when needed. Dom Care providers are typically individuals who open their homes and are willing to provide residents with housing, support, care, and encouragement in a family-like setting. They participate in a certification process to make sure their home meets health and safety requirements. The success of the Dom Care program is dependent upon these nurturing individuals who have the desire to give daily, personalized care and attention to residents and encourage a sense of

belonging and independence in their own home.

Health & Wellness Program—The Department of Aging’s health and wellness program is designed to educate and enable older Pennsylvanians to remain healthy and independent for as long as possible. The program focuses on key wellness areas, including exercise, nutrition, chronic conditions, injury prevention, medication management and behavioral health. A variety of free education, health and wellness programs, including evidence-based wellness programs and activities are available in your local community.

For more information, contact your local Area Agency on Aging or, for general questions, call the department at 717-783-1550.

Modernization of Senior Community Centers—The Department of Aging offers grant opportunities for senior community centers to modernize their facilities and improve their programs and services, consistent with the goals and direction of the State Plan on Aging. The objective is to help senior centers prepare for changing demographics and make them more attractive to a younger aging population. The department issues these funds through a competitive grant process.

Details can be obtained online at www.aging.pa.gov or by calling 717-783-1550.

Nutrition Services—The Department of Aging provides for quality nutrition services to older Pennsylvanians through: senior community center and home-delivered meals, nutrition education and personalized assessments, assistance with applying for Supplemental Nutrition Assistance Program (SNAP), and information and online resources. Nutritious meals are available to individuals age 60 or older and their spouses at various senior community centers across the state. Meals are available either on location at the center (congregate meals) or they can be delivered directly to eligible individuals who have nutritional needs or are nutritionally at-risk through the department’s OPTIONS Program. Meals are provided free of charge but participants may give an anonymous donation to help offset the cost of the service.

For local resources, contact your local Area Agency on Aging or go online to www.feedingpa.org. For more information on the department’s nutrition programs, call 717-783-1550.

Older Adult Protective Services—The Pennsylvania Department of Aging is responsible for the implementation and oversight of the Older Adults Protective Services Act (OAPSA) for adults 60 years of age and over. OAPSA provides services necessary to protect the health, safety and welfare of older adults who lack the capacity to protect themselves and who are at imminent risk of abuse, neglect, exploitation or abandonment. This law also safeguards the rights of older adults while providing for the detection, reduction, correction or elimination of abuse, neglect, exploitation and abandonment. The department works closely with the 52 Area Agencies on Aging (AAA), which administer the older adults’ protective services program at the local level. The local AAAs are responsible for intake of reports, investigation into allegations of all types of abuse and providing protective services to older adults. Within the department, the Protective Services Office is responsible for conducting quality assurance reviews and providing technical assistance to local protective services programs across the commonwealth. Reports may be made on behalf of an older adult, whether the individual lives in the community or in a care facility. Any person who

believes that an older adult is being abused, neglected, exploited or abandoned may call the 24/7 elder abuse hotline: 1-800-490-8505. The reporters may remain anonymous and have legal protection from retaliation, discrimination, and civil or criminal prosecution.

Older Pennsylvania Legal Assistance Program— The Older Pennsylvanians Legal Assistance program provides access to free legal services for older adults, including counsel, advice, and representation in a case. The program can help with legal matters relating to abuse, age discrimination, guardianship defense, healthcare, housing, long-term care, Medicaid, Medicare, nutrition, social security and supplemental security income benefits and utilities. Eligibility is provided to residents age 60 or older with an emphasis on individuals with the greatest economic and/or social needs. The program is free of charge, but clients are required to pay for actual legal costs incurred, such as court costs and filing fees. The program is funded in part by the Department of Aging and is administered by the AAA.

OPTIONS— The Pennsylvania Department of Aging’s OPTIONS Program provides services to help Pennsylvanians who are 60 years of age and older to remain in their homes and communities. A comprehensive interview is conducted by the local Area Agency on Aging to determine eligibility and identify the consumers’ unmet needs. A Care Manager works closely with the consumer to develop a plan of care to address the unmet needs and coordinates the provision of services.

For more information or to apply for OPTIONS services, contact your local Area Agency on Aging.

Benefits: Services available under the OPTIONS Program may include:

- Adult Daily Living Services
- Assistive/Adaptive Devices
- Care Management
- Emergent Services
- Home Health Services
- Home Modifications
- Home Support
- In-Home Meal Services
- Medical Equipment and Supplies
- Personal Care Services
- Personal Emergency Response System
- Pest Control/Fumigation
- Specialized Medical Transportation

**Not all services are available in every county.*

There are no financial eligibility requirements, however, consumers receiving OPTIONS services may be required to share in the cost of services they receive. The consumer’s cost share fee is based upon countable monthly income on a sliding scale. Financial verification is required to receive services.

RESOURCE / GRANT

PA Link to Aging and Disability Resources—The PA Link assists older adults (over 60) and individuals with disabilities by providing information and connecting them to the supports and services they need (non-medical and medical) to live safely in their homes and communities. It is a coordinated network of partners that allows an individual to initiate contact with any PA Link partner and access needed information, assistance, resources, or next step in the process. The No Wrong Door approach attempts to minimize duplication of efforts by both individuals and providers, thereby streamlining access, reducing confusion, preserving resources, and creating a safety net for the most vulnerable.

The PA Link:

- Informs and connects individuals that are aged 60+ and individuals with disabilities to local long-term services and support resources.
- Provides objective information and one-on-one assistance to streamline access to community services and supports.
- Diverts individuals from more costly forms of care such as nursing facility and hospital re-admissions.
- Empowers people to make informed decisions about long-term services and supports, maintaining independence and aging in place.
- Contributes to a one-stop-shop approach to accessing long-term services and supports.

INFORMATION / CONTACT

For more information, please call the PA Link Call Center: 1-800-753-8827.

Pennsylvania Caregiver Support Program—The goal of the Caregiver Support Program is to reduce caregiver stress by offering support and financial reimbursement for certain caregiving out-of-pocket expenses ranging from respite care to supplies related to caregiving. Caregivers are assigned a Care Manager from their local Area Agency on Aging who assesses their needs in the caregiving role, provides emotional and educational support including local support groups and technical assistance, and manages financial reimbursement provided to the caregiver. Modifications to the home, such as installation of a chair lift or a wheelchair ramp, or assistance with the purchase of an assistive device may be approved on a case-by-case basis if they are necessary for providing support to the caregiver. Pennsylvania's Caregiver Support Program is designed for individuals who are caring for loved ones who are suffering from an illness or disability that causes a functional deficit which requires assistance, or for a dependent child.

The following individuals may qualify for benefits:

- A caregiver age 18 and older who is the primary caregiver for a functionally dependent individual age 60 and older or an individual of any age who has a diagnosis of Alzheimer's disease or related disorder.
- A caregiver age 55 and older caring for an individual age 18-59 who is related by blood, marriage or adoption, with a non-dementia disability.
- A caregiver age 55 and older who is not the biological parent but is

the primary caregiver for, and related by blood, marriage or adoption to, a child under the age of 18.

Pennsylvania Long-Term Care Ombudsman— The State Long-Term Care Ombudsman Program advocates for and empowers individuals receiving long-term care services in both community- and facility-based settings. An ombudsman visits individuals who reside in long-term care facilities to advocate for those who cannot do so on their own. The ombudsman’s mission includes providing residents with information on their rights as consumers and helping them exercise those rights, pursuing remedies to their concerns, and advocating for the strict enforcement of long-term care standards.

To contact the Pennsylvania Long-Term Care Ombudsman Program for program details, or to see how you can support your local Ombudsman Program, call the local Area Agencies on Aging (AAAs) or the State Office at 717-783-8975.

Pharmaceutical Assistance Contract for the Elderly (PACE)— PACE, PACENET and PACE Plus Medicare are Pennsylvania’s pharmacy assistance programs for older adults, offering low-cost prescription medication to qualified residents aged 65 and older. They cover most medications that require prescriptions, including insulin, insulin syringes, and insulin needles. PACE and PACENET are administered by the Pennsylvania Department of Aging and are funded by the Pennsylvania Lottery.

For more information or to apply, call 1-866-712-2060 or visit www.pacecares.magellanhealth.com/

Additional department resources for assistance with prescriptions include:

- **Pennsylvania Patient Assistance Program Clearinghouse (PA PAP)** – The department funds a statewide service center staffed by trained specialists, who can help uninsured and under-insured adults apply for prescription assistance through various programs.
- **Pennsylvania Prescription Price Finder** – Anyone can access this free department-maintained resource that lists local prices on commonly used drugs, local pharmacy listings, information on low-cost generics, and drug information materials.

Anyone without PACE coverage or government-funded health insurance, including Medicare, can apply by calling 1-800-955-0989.

To access the information, simply call 1-800-835-4080 or visit www.parxpricefinder.com.

Senior Community Centers—Area Agency on Aging-supported Senior Community Centers are community settings that facilitate the social, emotional and physical well-being of older Pennsylvanians as part of a comprehensive and coordinated system of programming and services. They offer a wide variety of activities and services that vary from center to center depending on the needs and desires of the consumers and community being served. The following services are provided at no cost to participants over the age of 60, or spouses of participants accompanied by an eligible participant:

For more information, contact your local Area Agency on Aging.

Senior Community Centers also facilitate access to services that may be available within the local Area Agency on Aging's (AAA's) program service area, such as:

- Providing information, referral and outreach
- Transportation
- Legal and advocacy assistance
- Employment services
- Volunteer services
- Ombudsman services
- Housing and placement services and assistance
- Any other services that may be available in the local community

Senior Community Service Employment Program (SCSEP)—The Senior Community Service Employment Program (SCSEP) assigns unemployed low-income individuals age 55 and older to part-time community service positions with public and private nonprofit agencies such as social service agencies, public housing facilities, senior centers, public schools, etc. SCSEP strives for participants to obtain an unsubsidized job through the work experience obtained from the community service assignment. Participants usually work an average of 20 hours a week for which they are paid the federal or state minimum wage, whichever is higher. If you live in Clinton, Erie, Fayette, Greene, Lancaster, Lehigh, Luzerne, Lycoming, Philadelphia, Northampton, Washington, Westmoreland, or Wyoming counties, please contact your local Area Agency on Aging. If you live in a county that's not listed in the previous sentence, please contact the Pennsylvania Department of Aging's SCSEP contractor, The AARP Foundation. In addition to the 7 AAAs and The AARP Foundation that operate SCSEP in the commonwealth through contracts with the Pennsylvania Department of Aging, there are other national organizations that operate the SCSEP Program through direct contracts with the U.S. Department of Labor. SCSEP participants must be unemployed, age 55 or older, and meet income requirements.

Grants are typically available for only short periods of time and often for very specific activities. The department periodically updates the site: www.PAgrows.com to have the most up-to-date information as deadlines and new and recurring grant opportunities change.

AgrAbility for Pennsylvanians (AgrAbility PA)—A statewide partnership between Penn State Extension and UCP Central PA, which promotes independence in farming for individuals with disabilities or long-term health conditions by providing a variety of services at no cost.

Contact—Email argrability@psu.edu, or call 814-867-5288, or visit <http://agrabilitypa.org>

Agricultural Business Development Center—A new initiative designed to enhance the long-term vitality of Pennsylvania farms. The Center focused on providing support for sound business planning, efficient transitions of farm ownership, strategic farm expansion, diversification of agricultural production, and in building a team of financial and technical expertise as a resource for Pennsylvania farmers.

Contact—Email RA-AGBusiness@pa.gov, or visit www.agriculture.pa.gov/Business_Industry/Pages/ABDC.aspx

Agricultural Conservation Easement Purchase Program—Developed to strengthen Pennsylvania's agricultural economy and protect prime farmland. The program incorporates the use of local, state, and federal funds to purchase agricultural conservation easements on prime agricultural land from willing landowners. More than 50 county programs participate. Farm owners apply directly to the county program. Farm applications are ranked and then forwarded to the state board for approval after offers have been made.

Act 47 – Municipalities Financial Recovery Act (MFRA)—Act 47 empowers the department to declare certain municipalities as distressed and provides grants and loans through the Financially Distressed Municipalities Revolving Loan Fund to aid in the recovery process. The fund assists municipalities in recovery from conditions which caused them to become financially insolvent. The resources provided by the MFRP are vital to municipalities that experience severe financial distress, to ensure their ability to provide for the health, safety and welfare of their residents. After a municipality is designated as distressed, a recovery plan coordinator, funded by the program, is designated. The coordinator develops a comprehensive fiscal recovery plan for the municipality, assists the municipality to implement the plan and monitors the recovery process. The recovery plan addresses all operational aspects of the municipality and includes strategies to revitalize the local economic base and corresponding tax base through development of effective public-public and public-private partnerships and targeted state funds and action. Loans made under the program are repaid into the Revolving Fund and are then used to make additional loans and grants for other distressed municipalities. Grants are used to implement key recovery plan objectives. Eligibility: Financially distressed local governments.

Research & Development Tax Credit Program—The Research and Development Tax Credit (R&D Tax Credit) program was established to assist the growth and development of technology-oriented businesses, particularly small start-up technology businesses. R&D tax credits have been issued by the commonwealth to offset state tax liabilities for some time, and there has been a special minimum portion of R&D tax credits reserved for small businesses. However, many small businesses in the early stages of development are not yet profitable and do not have significant tax liability. In the past, these businesses have often not bothered to apply for the available R&D tax credits for which they were eligible. With the R&D Tax Credit assignment program, technology businesses can sell unused R&D tax credits on the open market to help advance and grow the business. RESOURCE / GRANT

INFORMATION / CONTACT

The Department of Conservation and Natural Resources (DCNR) Bureau of Recreation and Conservation (BRC) provides a single point of contact for communities and nonprofit conservation agencies seeking state assistance through its Community Conservation Partnerships Program (C2P2) in support of local recreation and conservation initiatives. This assistance can be in the form of grants, technical assistance, information exchange and training. All of DCNR's funding sources are combined into one annual application cycle (generally early spring), and there is a single application format and process with one set of requirements and guidelines. Some C2P2 applications are selected for funding through the Federal Land and Water Conservation Fund Program or the Pennsylvania Recreational Trails Program, which require some supplemental information to address federal requirements. To obtain assistance, contact one of DCNR's BRC six Regional Offices.

Please refer to the website at www.dcnr.state.pa.us/brc/grants/index.aspx for grant specifics and up-to-date information on each grant program and our grant opportunities at <https://brcgrants.dcnr.pa.gov/Pages/Opportunities.aspx>.

All-Terrain Vehicle (ATV) Projects—Grants are awarded to projects that assist with the planning, acquisition of land, development, rehabilitation, maintenance, purchase or lease of equipment for maintenance and construction, and development of educational programs related to ATV trails and facilities. Eligible applicants include municipalities, nonprofit organizations, and for-profit organizations. These grants do not require a match, but additional consideration will be given to projects that do have match. Grant funding comes from the ATV Management Restricted Account as authorized by Act 97 of 2016.

More information can be obtained at www.dcnr.pa.gov/Communities/Grants/TrailGrants/Pages/default.aspx

Circuit Rider—BRC provides financial assistance for county, regional or multi-municipal organizations to hire a professional full-time recreation and/or conservation staff person. The Circuit Rider's purpose is to coordinate, compliment, initiate and expand new programs and services either countywide or across multiple municipalities that individually do not have the financial resources to hire a professional staff person. The intended result of such a hiring is the increased ability of county and local officials to more efficiently and effectively meet their recreation, and conservation needs. The project encourages intergovernmental cooperation through a written agreement that enables communities and organizations to pool their financial resources to support the full time professional staff person.

More information can be obtained at www.dcnr.state.pa.us/cs/groups/public/documents/document/dcnr_017037.pdf

Community Parks and Conservation—Community Parks and Conservation grants are awarded to municipalities and authorized nonprofit organizations for community recreation, park and conservation projects. These include planning for comprehensive recreation, park open space and greenway plans; land conservation and stewardship plans; swimming pool and indoor recreation facility feasibility studies; master site development plans; land acquisition for active or passive parks and conservation purposes; and new development and rehabilitation of parks and recreation facilities. Most projects require a 50 percent match, which can include a combination of cash and/or non-cash values.

More information can be obtained at www.brcgrants.dcnr.pa.gov/.

Land Trust Projects—Land Trust grants are awarded to pre-qualified land trusts and conservancies to fund projects for open space and natural areas planning and acquisition. Priority is given to protecting critical habitat; creating connections to other natural,

cultural, historic or recreational areas; protecting and enhancing water resources; and protecting climate-resilient landscapes. These grants require a 50 percent match via either cash or a land donation of equal non-cash value.

Partnerships Grant Program—State and regional partnerships grants are available to advance Pennsylvania’s Statewide Comprehensive Outdoor Recreation Plan, Pennsylvania’s Heritage Areas Program and the Conservation Landscape Program. Partnerships program categories include: education and training activities; special purpose planning; implementation projects; and mini-grant programs. Match is based upon the funding source and level of available funding.

More information can be obtained at www.brcgrants.dcnr.pa.gov/

Pennsylvania Recreational Trails (PRT) Program—Grants are awarded to federal and state agencies, municipalities, nonprofit and for-profit organizations to assist with the construction, rehabilitation and maintenance of trails and trail-related facilities, the purchase or lease of equipment for maintenance and construction, and the development of educational materials and programs for both motorized and non-motorized recreational trails. These grants require a minimum 20 percent match, which can include a combination of cash and/or non-cash values.

More information can be found at www.docs.dcnr.pa.gov/cs/groups/public/documents/document/d_001241.pdf

Peer Grants—Peer grants are awarded to help municipalities improve their park, recreation and conservation services through a collaborative process. Projects are accomplished through contracts with experienced park, recreation and conservation professionals from nearby communities who will work closely with local leaders. Examples include projects that form new intergovernmental recreation and park agencies; improving management of a specific facility like a community center, trail or pool; conducting an overall management assessment of an agency’s park and recreation services; park and recreation board training and development, etc. The applicant must provide at least a 10 percent local cash match. Non-cash match is not accepted for peer-to-peer projects.

More information can be found at www.dcnr.state.pa.us/cs/groups/public/documents/document/dcnr_017038.pdf

Rivers Conservation—The purpose of this funding is to develop or implement watershed/river-corridor conservation plans. Priority is given to applications that propose the implementation of recommendations from river or watershed plans on the Pennsylvania Rivers Registry. The bureau will consider early implementation development projects for funding in watersheds not linked to a Rivers Conservation Plan if the project can stand on its own merits and presents a significant and/or unique opportunity that connects communities to their rivers and advances the goals of the Rivers Conservation Program. These grants require a minimum of a 50 percent match, which can include a combination of cash and/or non-cash values.

maintenance and construction, and development of educational programs related to snowmobile trails and facilities. Eligible applicants include municipalities, nonprofit organizations, and for-profit organizations. These grants do not require a match, but additional consideration will be given to projects that do have match. Grant funding comes from the Snowmobile Management Restricted Account as authorized by Act 97 of 2016.

Trails Program—Grants are awarded to municipalities and nonprofit organizations to assist with planning, acquisition of land, construction, rehabilitation and maintenance of trails and trail-related facilities. For the purposes of this program, trails are defined as a designated land or water corridor with public access that provides recreation and/or alternative transportation opportunities to motorized and/or non-motorized users of all ages and abilities. To be considered a “trail project,” at least 75 percent of the total project cost must be related to trail activities and/or trailside facilities. These grants require a minimum of a 50 percent match, which can include a combination of cash and/or non-cash values.

WILD RESOURCE CONSERVATION PROGRAM (WRCP)

Wild Resource Conservation Program—The Wild Resource Conservation Program awards grants for biodiversity research, conservation and education. While the exact grant priorities vary from year to year, the focus is on research and conservation needs of Pennsylvania’s native flora and non-game wildlife. Most of the funds available through this grant program come from the Environmental Stewardship Fund; therefore, applicants must be counties, municipalities or tax-exempt 501(c)(3) organizations.

DEPARTMENT OF DRUG AND ALCOHOL PROGRAMS

www.ddap.pa.gov

RESOURCE / GRANT

INFORMATION / CONTACT

The Department of Drug and Alcohol Programs (DDAP) develops and implements a plan for the control, prevention, intervention, treatment, research, education, and training aspects of substance use disorder and problem gambling in Pennsylvania. The department works closely with other state agencies, counties, policy makers, treatment providers and other stakeholders to ensure that quality prevention, intervention, rehabilitation and treatment programs are available throughout Pennsylvania.

Drug and Alcohol Treatment and Prevention—Programs are implemented, and services are provided through grant agreements with the 47 Single County Authorities (SCAs) who, in turn, contract with private service providers. SCAs provide administrative oversight to the local contracted programs funded with state and Substance Abuse Prevention and Treatment Block Grant funds.

Pennsylvania’s Get Help Now Hotline: 1-800-662-HELP. The hotline is a free, confidential, 24/7, 365-day-a-year treatment referral and information service (in English and Spanish) that will connect individuals and/or family members directly to treatment or support services.

To search online visit ddap.pa.gov and click the “find treatment” icon.

To contact DDAP’s Treatment Division call 717-783-8200.

Federal Grants—The department is responsible for distributing and managing the State Opioid Response (SOR) and State Targeted Response (STR) grants in Pennsylvania.

Contact the DDAP Prevention Division at 717-783-8200.

Prescription Drug Take-Back Program—DDAP is focused on alleviating the health and safety concerns from the diversion and misuse of prescription drugs by helping our citizens properly dispose of unused prescription medications. Many young people who misuse prescription drugs take them from medicine cabinets. Keeping unused opioids or other common drugs of misuse in a medicine cabinet is no longer safe or responsible.

To find a drug take-back location near you, visit ddap.pa.gov/drugtakeback

Problem and Compulsive Gambling Treatment and Prevention—DDAP develops programs related to public education, awareness, and training regarding compulsive and problem gambling, as well as the treatment and prevention of compulsive and problem gambling. Prevention programs are implemented, and services are provided through grant agreements with the 47 Single County Authorities (SCAs) who, in turn, contract with private service providers. Treatment is available through department-contracted treatment providers.

Pennsylvania’s Problem Gambling Hotline: 1-800-GAMBLER.

Training—The department provides a variety of training programs for substance use disorder treatment providers and human service professionals. These trainings cover a variety of alcohol and other drug treatment and prevention topics.

COSTARS—The commonwealth's cooperative purchasing program makes it easier and more cost-effective for local public entities and certain non-profits registered within the DGS to purchase a broad selection of goods and services from COSTARS-designated contracts.

For more information, including a complete list of registered communities and organizations eligible to purchase (members), COSTARS-designated contracts, and awarded suppliers, visit www.dgs.pa.gov/COSTARS or call 1-866-768-7827, or email gs-pacostars@pa.gov

Federal Surplus Property Program—Offers a limitless variety of property to municipalities, schools, fire and police departments, and other nonprofit organizations. From paper to vehicles, from computers to concrete block, DGS can help meet your needs while saving money with surplus. Property available in inventory is viewable at the Harrisburg warehouse or online. Requests for any specific property that may not be in current inventory are also accepted so the department can find it elsewhere and arrange for its direct allocation to your location. The property itself is donated from the federal government; however, a service charge is incurred to cover the state's cost of administering the program.

Law Enforcement 1122 New Property Program— Enables Pennsylvania local law enforcement, emergency response and Homeland Security Agencies to purchase new equipment and supplies suitable for counterdrug activities from federal contracts. Because of its volume purchasing power, the federal government receives tremendous discounts on many of these items. DGS researches the federal contracts and provides quotes. A service charge of 4 percent of the purchase price up to \$50,000, or \$500, whichever is less, is incurred. For purchases above \$50,000 but less than \$100,000, the service charge is \$750; and for purchases valued greater than \$100,000, there is a \$1,000 service charge.

The Fixed Price Sales Vehicle Program— Pennsylvania government and tax-supported entities; including fire departments, police departments, school districts, and emergency management services; may request and acquire federally-owned vehicles through the program. Cars, trucks, vans, alternative fuel vehicles, pick-up trucks, ambulances, and fire trucks with low mileage and only one prior owner are all available. View current inventory online or submit a request for a specific vehicle.

The State Surplus Property Program— Offers state-owned office furniture, equipment, and supplies for sale to the general public through our distribution center in Harrisburg, special sales held periodically throughout the state or online auctions. Also offers private online sales for municipalities to purchase heavy equipment and manage the commonwealth's recycling program.

Transportation Security Administration (TSA)— Voluntarily confiscated items and lost and found property such as pocket knives, sporting equipment, jewelry, tools, belts and other miscellaneous items are offered for sale to the general public at the Harrisburg warehouse or online at www.GovDeals.com.

Used Vehicle Auctions— Provides the public with opportunities to purchase commonwealth used vehicles. The public is invited to attend an auction of used Commonwealth of Pennsylvania vehicles at the Manheim Keystone Pennsylvania Auto Auction located at 488 Firehouse Road, Grantville, PA. Auction schedules, as well as previous auction results, can be found by visiting the DGS website.

- 1 Core components and activities: HIV testing; comprehensive prevention with positives (including partner services); condom distribution; and policy initiatives.
- 2 Required activities: jurisdictional HIV planning; capacity-building and technical assistance; program planning, monitoring, evaluation and quality assurance.
- 3 Recommended program components: evidence-based HIV prevention interventions; and social marketing, media and mobilization.
- 4 Epidemiologic surveillance.

• **Care Program**—This program is funded through Part B of the Ryan White HIV/AIDS Treatment Extension Act of 2009 (Public law III -87) which provides IDV/AIDS health care and support services for persons living with HIV/AIDS. Part B grants include a base grant and an AIDS Drug Assistance Program (ADAP) award. Pennsylvania’s ADAP is also known as the Special Pharmaceutical Benefits Program (SPBP).

• **Special Pharmaceutical Benefits Program (SPBP)**—This program provides medications for the treatment of HIV disease. Program funds may also be used to purchase health insurance for eligible clients and for services that enhance access to, adherence to, and monitoring of drug treatments.

• **Housing Opportunities for Persons with HIV/AIDS (HOPWA)**—This program is funded through the Department of Housing and Urban Development and provides housing assistance and related supportive services for low-income persons with HIV/AIDS and their families. Services include, but are not limited to, housing information and referral, resource identification, operating costs, tenant-based rental assistance, short-term rent, mortgage, and utility payments, permanent housing placement, and supportive services (case management).

Pennsylvania Safe and Healthy Homes Program—The Pennsylvania Safe and Healthy Homes Program (SHHP) seeks to provide education and interventions to promote healthy homes and prevent problems and injuries. When hazards are present in a home, they can have a profound effect upon the health of the occupants, particularly those most vulnerable such as children. Some home conditions contribute to asthma development or exacerbation, including mold, mildew, dust mites, pests and pet dander. When these allergens are reduced or eliminated, thereby reducing asthma triggers, children have fewer and milder asthmatic episodes.

Homeless Assistance Program—HAP is a county-directed program that offers a variety of supportive services to individuals and families experiencing or at risk for homelessness and who can demonstrate that, with HAP intervention, they will be able to meet their basic housing needs in the near future. The Commonwealth of Pennsylvania funds HAP through an annually state-funded block grant. The DHS Office of Income Maintenance (OIM) administers HAP and allocates a portion of the block grant funds to each county with the expectation that counties will design homeless assistance programs that meet HAP goals within the parameters outlined in the HAP I & R.

Contact – The Office of Income Maintenance, Bureau of Policy at 717-772-7829.

Low Income Home Energy Assistance (LIHEAP)—Assistance to help individuals and families pay for winter heating bills. Two types of statewide grants are offered: cash and crisis. Cash grants are issued once per LIHEAP season to help pay heating bills and are based on income, family size, type of heating fuel and heating region. Crisis grants are awarded to households with heating emergencies, such as a shut off notice, an empty fuel tank or less than two weeks' worth of fuel, or mechanical breakdowns of heating equipment. Neither grant must be repaid. No lien is placed on the property of households obtaining the grants.

The program opens in November and closes in early April or whenever funds are depleted, whichever occurs first.

Contact – The Office of Income Maintenance at 1-866-857-7095.

Pennsylvania Accessible Housing Program—This DHS and Department of Community and Economic Development (DCED) program provides low- and moderate-income persons with permanent disabilities increased accessibility in their current home by undertaking modifications to the home.

Catastrophic Loss Benefits Continuation Fund (AUTO CAT FUND)—The Catastrophic Loss Benefits Continuation Fund (Auto CAT Fund) continues benefits for medical treatment and rehabilitative services, previously provided by the Catastrophic Loss Trust Fund, for injuries arising out of the maintenance or use of a motor vehicle between October 1, 1984 and December 31, 1989. In addition to other eligibility criteria and before being eligible for benefits, the claimant must incur \$100,000 in medically necessary and reasonable medical and/or rehabilitative expenses. Benefits are capped at \$50,000 per year with a \$1,000,000 lifetime maximum. Except for workers' compensation the Auto CAT Fund is the primary payor for eligible claimants and coordinates benefits with health and other insurance carriers. Insurers may confirm whether the Auto CAT Fund is the primary payor on a particular claim by contacting the current third party administrator.

Additional information on filing a claim, benefits and eligibility requirements are available on the department's website at www.insurance.pa.gov or calling the Auto CAT Fund at 717-787-4919.

Underground Storage Tank Indemnification Fund—The Storage Tank and Spill Prevention Act, Act 32 of 1989 created the Underground Storage Tank Indemnification Fund (USTIF) to assist owners and operators in meeting insurance requirements. The USTIF makes claim payments, presently up to \$1,500,000 per tank per occurrence, to eligible underground storage tank (UST) owners or operators for damages caused by a release from their UST. To be eligible, the release must have occurred on or after February 1, 1994 and meet other eligibility requirements set forth in the Act. The USTIF also indemnifies tank owners for third party liability that may occur when the release from a UST has injured another person or that person's property.

Additional information on filing a claim, benefits and eligibility requirements are available on the department's website at www.insurance.pa.gov, or by calling the USTIF at 800-595-9887 (PA) or 717-787-0763 or visiting the USTIF website at <https://ustif.pa.gov>

Business Education Partnership Grants—These grants fund programs that allow school districts to collaborate with local business and local workforce development boards to educate students, parents and guardians regarding high-priority occupations and career pathways. The programs create partnerships with educators, employers, parents/guardians and students to provide career-related experiences, exposure to different workplace opportunities and knowledge regarding opportunities in the Commonwealth. Local Workforce Development Boards throughout Pennsylvania are encouraged to apply.

Direct Care Worker Training Grants—This grant program focuses on developing and implementing effective training programs that improve the quality of care produced by direct care workers and creating, organizing and/or building career pathways that pay family-sustaining wages for direct care workers. Eligible applicants include local workforce development boards, non-profit and non-governmental entities, community-based organizations, education and post-secondary organizations, healthcare organizations, labor organizations, business associations, trade associations of long-term services and supports providers, and economic development entities.

Next Generation Industry Partnership Grants—These grants provide funds to support the development, launch, implementation, and technical assistance of Next Generation Industry Partnerships that are demand-driven in addressing the workforce, economic development, and educational needs of Pennsylvania industries. Next Generation Industry Partnerships are partnerships of businesses who work with economic development, education, workforce development, and community organizations to address the overall competitiveness and needs of a targeted industry.

PA CareerLink® Resources—PA CareerLink® is a one-stop shop for individuals seeking employment or training, as well as employers looking for new talent. It's all part of the Pennsylvania Department of Labor & Industry's initiative to transform the landscape of how job-seekers find family sustaining jobs and how employers find the skilled candidates that they need. Through this initiative, a user-friendly, premiere job-matching system has been created to help bridge the gap that currently exists between job-seekers and employers. Job-seekers have the ability to search and apply for job openings across the Commonwealth or narrow it down to their own town. You can create and upload a resume and make yourself available to thousands of employers.

PennSERVE Grant Opportunities—PennSERVE encourages, develops, and facilitates volunteerism and service. PennSERVE funds and supports national service efforts that engage Pennsylvania residents in strengthening our communities. Each year, PennSERVE awards approximately \$11 million in federal funding from the Corporation for National and Community Service to AmeriCorps programs in Pennsylvania. PennSERVE has two grant competitions,

Trade Adjustment Assistance (TAA)—The Federal Trade Act's TAA program helps workers who have lost their jobs as a result of increased imports or shifts in production to foreign countries. TAA benefits include reemployment services such as funded training, job search allowances, and relocation allowances; and weekly cash benefit payments known as Trade Readjustment Allowances (TRA). Each benefit has distinct eligibility requirements and must be applied for separately.

Unemployment Compensation Program—The Unemployment Compensation (UC) program provides temporary income support if you lose your job through no fault of your own, or if you are working less than your full-time hours. If you qualify, you will receive money for a limited time to help you meet expenses while you seek new employment. To be eligible for UC benefits, you must be a worker who performed services that are covered by the Pennsylvania UC Law.

Vocational Rehabilitation Services—The Pennsylvania Office of Vocational Rehabilitation, or OVR, provides vocational rehabilitation services to help persons with disabilities prepare for, obtain, or maintain employment. Services are very individualized and are provided both directly and indirectly through a network of approved vendors. The OVR counselor, during face-to-face interviews, assists customers in selecting their choice of vocational goals, services and service providers.

Types of Vocational Rehabilitation Services

OVR provides a wide range of services to eligible applicants. OVR services include:

- **Diagnostic Services:** Medical, psychological, and audiological examinations and tests used to better understand your disability and your needs for specific types of services.
- **Vocational Evaluation:** Aptitude, interest, general ability, academic exams, work tolerance, and “hands-on” job experience used to understand your vocational potential.
- **Counseling:** Vocational counseling will help you to better understand your potential, to rely on your abilities, to set realistic vocational goals, to change them when necessary, to develop successful work habits, and to begin a satisfying career. Counseling is available throughout your rehabilitation program.
- **Training:** Education to prepare you for a job including, but not limited to, basic academic vocational/technical, college, on-the-job training, independent living skills, and personal and work adjustment training.

- **Restoration Services:** Medical services and equipment such as physical and occupational therapy, wheelchairs, and automobile hand controls can be provided to enable you to pursue and achieve employment.
- **Placement Assistance:** Counseling, job-seeking programs, job clubs, and job development are used to increase your ability to get a job. You will receive ideas, practice, and advice on finding job leads, filling out applications, getting interviews for a job, and how to interview. Your counselor may also give you job leads or contact employers about available tax credits and hiring incentives. The more contacts with employers you make, the better your chances are of finding a job.
- **Assistive Technology:** Assistive technology includes a wide range of devices and services that can empower persons with disabilities to maximize employment, independence and integration into society. OVR also operates and maintains the Center for Assistive and Rehabilitation Technology (CART) at the Hiram G. Andrews Center.
- **Support Services:** Other services are provided for eligible persons if they are necessary to start and maintain employment. Such services may include: room, board, and transportation costs during an evaluation or while completing a rehabilitation program; occupational tools, licenses, or equipment; home modifications; personal care assistance; and more.

Work Opportunity Tax Credit (WOTC)—The Work Opportunity Tax Credit (WOTC) is a federal tax credit available to employers for hiring individuals from specific target groups who have consistently faced significant barriers to employment. The program incentivizes workplace diversity and facilitate access to good jobs. Employers generally can earn a tax credit equal to 25% or 40% of a new employee's first-year wages, up to the maximum for the target group to which the employee belongs. Employers will earn 25% if the employee works at least 120 hours and 40% if the employee works at least 400 hours.

Workers' Compensation Services—The Pennsylvania workers' compensation program was established to reduce injuries and provide lost wages and medical benefits to Pennsylvania employees who become ill or injured through the course of their employment so they can heal and return to the workforce. The workers' compensation system protects employees and employers. Employees receive medical treatment and are compensated for lost wages associated with work-related injuries and disease, and employers provide for the cost of such coverage while being protected from direct lawsuits by employees. Workers' compensation coverage is mandatory for most employers under Pennsylvania law.

Boards—Pennsylvania's workforce development system enables businesses and workers to compete in the worldwide, knowledge-based economy. The workforce system enhances employer competitiveness and innovation while preparing Pennsylvanians for jobs that pay in an economy that grows, supports families and businesses. Pennsylvania's Local Workforce Development Boards, or LWDBs, are part of our public workforce system – a network of state and local providers and programs that support local and regional economic development, and the education and training of Pennsylvania's workforce. The LWDBs work closely with L&I's workforce development program, the PA Workforce Development Board and regional stakeholders to ensure Pennsylvania workforce and employer – locally, regionally and statewide – are met. There are 22 LWDBs in Pennsylvania. The Department of L&I offers various grant opportunities to LWDBs as federal or state funds become available.

Amputee and Paralyzed Veterans Pension—This program provides pensions of \$150 per month to Pennsylvania veterans who are rated by the U.S. Department of Veterans Affairs (VA) to have a service-connected loss or loss-of-use of two or more extremities with a minimum rating of 40% in each extremity.

Contact—717-861-8910 or email ra-pvp@pa.gov.

Blind Veterans Pension—This program provides pensions of \$150 per month to Pennsylvania veterans who incurred functional blindness while performing active military service and are rated as blinded through service connection by the VA.

Contact—717-861-8910 or email ra-bvp@pa.gov for more information.

Disabled Veterans Real Estate Tax Exemption Program—This program provides a real estate tax exemption for any honorably discharged veteran who is determined by the VA to be totally or 100 percent permanently disabled. The veteran must be a Pennsylvania resident with a financial need who served during established war or armed conflict service dates and who resides in the property subject to the exemption as his or her principal dwelling. This exemption is extended to the unmarried surviving spouse upon the death of an eligible veteran, provided that the State Veterans Commission determines financial need for the exemption.

Contact—717-861-8910 or email ra-retx@pa.gov.

Education of Veterans Children of Deceased and Disabled Veterans—Educational grants of up to \$500 per term or semester (for a maximum of 8 semesters or terms) are provided for children of honorably discharged veterans who have been certified as having war-time service-connected disabilities rated as 100 percent totally and permanently disabled or children of veterans who died in service during a period of war or armed conflict or hostile fire in peacetime as certified by the VA. Children must be 16-23 years of age and living in Pennsylvania for five years before the application. They must also attend a school in Pennsylvania and show financial need.

Contact —717-861-8910 or email ra-eg@pa.gov for more information.

Educational Assistance Program—The Educational Assistance Program (EAP) provides tuition grants to eligible members of the Pennsylvania National Guard (PNG) who enroll in a Pennsylvania Higher Education Assistance Agency (PHEAA) approved Pennsylvania institution of higher learning with a degree-granting or certificate-granting curriculum, course of study or training required for entrance into a specific career to be pursued on a full-time or part-time basis or its equivalent as determined by the agency. This grant provides 100% of the flat tuition rate for full-time students at a State System of Higher Education school or equivalent at an approved PHEAA school. The full-time undergraduate tuition grant is \$3,858 plus \$240.00 per semester technology fee. The part-time grant for members who may or may not possess a bachelor's degree is the tuition per credit or \$322 per credit, whichever amount is less per semester, plus a \$20.00 per credit technology fee. Assistance is provided to all applicants who apply and are eligible. Members deployed to a combat zone have EAP eligibility extended for a period of one year, or for one additional month for each month of service, whichever is longer. Eligible EAP members ordered to

Computer Datacenter Program—An owner, operator or qualified tenant of a certified computer data center, may apply annually for a tax refund for sales and use tax paid on qualified computer data center equipment used within the facility. Certification by the Department of Revenue, of the computer data center facility, is required prior to application for refund. Owners and operators of datacenters that meet certification requirements within 4 years of application for certification in the program can obtain a 15-year certification for the data center facility. The total amount of refunds approved per fiscal year is limited to \$5 million. If the total amount of tax refunds approved for all applicants in a fiscal year exceeds the limitation, the Department shall allocate the refund to be received by each applicant.

Contact—Pennsylvania Department of Revenue at 717-772-3896.

Malt Beverage Tax Credit Program—A taxpayer that is a manufacturer of malt or brewed beverages may submit an application for tax credits, against the malt beverage tax, for investment in qualified capital expenditures. The credit shall not exceed \$200,000 per taxpayer, subject to reduction if applications requesting more than \$5 million in total credits are received in a fiscal year. If the total amount of tax credit applied for by all taxpayers exceeds the limitation on the amount of tax credits in a fiscal year, the tax credit to be received by each application shall be allocated. This credit was formerly effective from January 1, 1974 to December 31, 2008 for small brewers with an annual production of 1,500,000 or less barrels per year. Reinstatement of the credit was effective beginning in fiscal year 17/18 with the removal of the annual production cap.

Property Tax/Rent Rebate Program—The rebate program benefits eligible Pennsylvanians age 65 and older; widows and widowers age 50 and older; and people with disabilities age 18 and older. The income limit is \$35,000 a year for homeowners and \$15,000 annually for renters, and half of Social Security income is excluded. About 525,000 older Pennsylvanians and residents with disabilities are expected to benefit from the program this year.

Contact—Property Tax/Rent Rebate information and applications are available by visiting www.revenue.pa.gov or calling 888-222-9190

HOMEOWNERS CAN RECEIVE:

Income	Standard Rebate
\$0 to \$8,000	\$650
\$8,001 to \$15,000	\$500
\$15,001 to \$18,000	\$300
\$18,001 to \$35,000	\$250

RENTERS CAN RECEIVE:

Income	Standard Rebate
\$0 to \$8,000	\$650
\$8,001 to \$15,000	\$500

The maximum standard rebate is \$650, but supplemental rebates for qualifying homeowners can boost rebates to \$975. The Revenue Department automatically calculates supplemental rebates for qualifying homeowners. The Property Tax/Rent Rebate Program is one of five programs supported by the Pennsylvania Lottery. Since the program's 1971 inception, older and disabled adults have received more than \$6.7 billion worth of property tax and rent relief. The expanded portion of the rebate program is paid for with revenue from slots gaming.

Research and Development Tax Credit—A taxpayer who incurs Pennsylvania qualified research and development expenses in a taxable year can apply for a research and development tax credit. Businesses qualifying for the federal research and development tax credit and making research and development investments in Pennsylvania are eligible. A tax credit is granted based on the company's increased research and development expenses over a base period. The credit is applicable to corporate net income, capital stock/foreign franchise and personal income tax liabilities. Unused credits may be carried forward for up to 15 succeeding taxable years. The total amount of tax credits approved per fiscal year is limited to \$55 million. If the total amount of tax credits applied for by all taxpayers exceeds the limitation on the amount of tax credits in a fiscal year, the tax credit to be received by each application shall be allocated by business status: 80% of the credit or \$44 million will be allocated to large businesses and 20% of the credit or \$11 million will be allocated to small businesses. Total assets of more than \$5 million at the beginning or end of the balance sheet would be considered large business status.

Cosmetology and Barber Licensure Through Career and Technical Education (CTE) Pilot Program—This program provides additional opportunities for students in cosmetology and barber Career and Technical Center (CTC) programs to earn educational hours and practical experience. The pilot consists of three major components by which cosmetology and barber CTC students may earn educational credit toward their respective 1,250-hour instruction requirements: (1) up to 650 hours of distance education, including practical skills review; (2) up to 350 hours of internships and job shadowing; and (3) the remainder to come from traditional in-person instruction. The pilot program will remain available to cosmetology and barber CTC students through the 2021-22 school year, subject to further extension by the Departments of State and Education.

Governor's Civic Engagement Award—The Governor's Civic Engagement Award is presented by the Pennsylvania Departments of State and Education. The award celebrates the efforts of Pennsylvania high school students to educate, engage and inform their fellow students about how to get involved in the voting process. There are three award distinctions: Gold (presented to schools where 85% of eligible students are registered to vote), Silver (presented to schools where 65% of eligible students are registered to vote), and Student Poll Worker Award (presented to students who participate in a voter registration at their school and serve as a poll worker).

PA Online Voter Registration—Registering to vote in Pennsylvania is easy and convenient. There are 4 convenient ways to register to vote: online, by mail, in person at your county office, or at PennDOT and some other government agencies. Online registration is convenient, secure and accurate. You must register to vote at the address where you actually live – your residence address. Owning property or a business in a county does not make you a resident of that county.

Professional Licensing Guides—The Department of State is responsible for licensing and regulating hundreds of different professions as part of its mission to protect, preserve and improve the health and safety of Pennsylvania's citizens through the licensing and regulation of occupational and health professionals. To provide the greatest clarity on the licensing process from start to finish, the Department of State's website breaks it down into three phases, providing estimated times for each stage of the process, and recommendations for how to reduce processing times.

MULTIMODAL TRANSPORTATION

Multimodal Transportation Fund—Act 89 authorizes state funding through the Multimodal Transportation Fund for aviation, freight and passenger rail, public transit, ports and waterways, highway/bridge, and bike and pedestrian projects. The program provides financial assistance to municipalities, councils of governments, businesses, economic development organizations, public transportation agencies, rail/freight, and ports. Eligible projects are those that coordinate local land use with transportation assets to enhance existing communities; projects that relate to streetscape, lighting, sidewalk enhancement, and pedestrian safety; projects that improve connectivity or utilization of existing transportation assets; and projects related to transit-oriented development. Local match from eligible sources in the amount of 30% of the grant award must be provided in order to receive funding. Grants are available for projects with a total cost of \$100,000 or more. Grants will not exceed \$3,000,000.

Application Deadline—Application deadlines vary and are available on the PennDOT website

Pennsylvania Transportation Alternatives Program (TAP)—The Pennsylvania Transportation Alternatives Program provides funding for programs and projects defined as transportation alternatives including bicycle and pedestrian facilities, safe routes to schools, and trail projects that serve a transportation purpose such as trails that connect to schools, parks, or other public areas. There is an 80/20 cost share for shovel-ready projects, and PennDOT will pay for 100 percent of right-of-way acquisition costs. Applicants pay for any pre-construction costs but these upfront costs may be eligible for Department of Conservation and Natural Resource (DCNR) funding.

PennDOT's website provides program guidance, the eligibility determination form and an application. For questions on eligibility for DCNR funding contact your DCNR Bureau of Recreation and Conservation regional advisor.

BUREAU OF MUNICIPAL SERVICES

Agility Program—This innovative, streamlined program is designed to make the most of limited resources by exchanging services between PennDOT district and county maintenance offices and public procurement units such as municipalities, charitable hospitals, school districts, metropolitan and rural planning organizations, volunteer fire departments, law enforcement agencies, state and federal government agencies, community colleges, etc. Agility allows the exchange of services, instead of money, between PennDOT and eligible partners. For example, PennDOT may patch potholes along a township road in exchange for having the township's crew mow along state roads. The program enables local governments to accomplish more than they could have with their own limited resources and increases our collective effectiveness and efficiencies for the general public.

Agility Agreements have a contract life of five years with a three-year renewal clause for a total of eight years. The exchange of services must be of a reasonably equal value and detailed on a single-page work plan and approved by PennDOT, the partner and AFSCME.

Highway Transfer (Turnback) Program—The commonwealth enacted Act 70 in July 2006 amending Act 1983-32, authorizing an increase in the annual maintenance payment rate for all turnback roads from \$2,500 per mile to \$4,000 per mile. This annual maintenance payment is made in perpetuity for the maintenance of the roadway and is paid to municipalities in April of each year. The objective of this program is to transfer the ownership of state-owned roads that predominantly carry local traffic, carry low numbers of vehicles on a daily basis, and/or would better serve the community if operated under municipal jurisdiction. PennDOT either rehabilitates the roadway before the transfer takes place or provides the municipality with funding to rehabilitate the roadway to improve its quality and service life. Local officials must adopt a resolution authorizing the acceptance of the transfer. Each PennDOT district office has a turnback coordinator who can assist local governments.

BUREAU OF RAIL FREIGHT, PORTS AND WATERWAYS

Marcellus Shale Program—This program, funded through Act 13 and administered via the Rail Freight Assistance Program (RFAP), provides state-funded assistance to companies operating in a Marcellus Shale region for investment in rail infrastructure to provide rail service related to the shipping of Marcellus Shale products. Annual funding is \$1 million, and the program follows the policies and guidelines of the RFAP.

The open application periods are posted on PennDOT's website at www.penndot.gov. Applications must be submitted electronically via www.dotgrants.state.pa.us/RailFreight. Applications compete for funding and all projects are scored and ranked and receive funding based on the total score received.

RESOURCE / GRANT

Pennsylvania Intermodal Cargo Growth Incentive Program (PICGIP)—PICGIP is a grant program intended to provide an economic incentive for all existing and potential new container shipping lines to move their preordained and discretionary cargo through a Commonwealth port instead of other U.S. ports or terminals. This incentive, which is \$25 per new container unit (lift), will apply to containerized cargo loaded or discharged from vessels moving through Pennsylvania's ports. The incentive will be available only for those shipping lines increasing cargo volumes or starting new service to a Commonwealth port, as determined by PennDOT. The funds granted must be used for operating or capital expenses of the ocean carrier.

Rail Freight Assistance Program (RFAP)—This program provides state-funded financial assistance for investment in rail freight infrastructure to preserve rail freight service and stimulate economic development through the generation of new or expanded rail freight service. RFAP is a grant program with an annual funding stream of \$10 million. In addition, RFAP Marcellus Shale-related grant projects are eligible for the Marcellus Shale fee funding of \$1 million annually. The maximum state funding for any project is \$700,000, or no greater than 70 percent of the actual total project cost, whichever is less. The funding for the new construction portion of any project cannot exceed \$250,000. Types of projects eligible for funding: Maintenance—includes replacement of ties, rail, plates, turnouts and other track materials. Construction—consists of the cost to purchase ties, rail, ballast and other track material to construct a railroad line (where none exists) or rail-associated facility.

Rail Transportation Assistance Program (RTAP)—This state-funded program provides financial assistance to railroads and users of the rail freight transportation system for rail freight maintenance and construction projects. The annual grant program has a current funding allocation of \$30 million. Only entities that have an authorization in a current Capital Budget Act are eligible to apply. Eligible types of projects include rail maintenance and construction. Maximum state funding is 70 percent of the total project cost, but shall not exceed the line item amount authorized by the specific capital budget bill containing the budget authorization.

Rural Persons with Disabilities Program—This program provides reduced fares on shared-ride, advance reservation, curb-to-curb transportation services for persons with disabilities in all counties except Philadelphia. The program pays up to 85 percent of the trip fare if the trip is not eligible under any other funding program. To qualify for the reduced fare, persons with disabilities must present proof of disability to the local shared-ride provider in their county. Passengers must reserve their trip at least one day in advance, be willing to share the vehicle with other riders, and pay 15 percent of the full shared-ride fare.

Shared Ride Program for Senior Citizens—This program enables senior citizens 65 and older to use shared-ride, advance reservation, curb-to-curb services and pay only a small percentage of the regular shared-ride fare. A senior citizen or a sponsoring agency pays 15 percent of the regular shared-ride fare and State Lottery proceeds administered by the department are used to reimburse the participating service provider up to 85 percent of the fare. There are no restrictions on the hours of use other than the service hours of the transportation providers. A person must be at least 65 years of age to qualify for reduced-fare transportation on a participating transit system. Passengers must reserve their trip at least one day in advance, be willing to share the vehicle with other riders, and pay any fare remaining after the lottery and sponsor contributions.

Transit Research and Demonstration Projects—Funding is available for technical assistance, research projects and short-term demonstration projects. Local transportation organizations and municipalities/counties are eligible to apply for this funding. Local funds equal to at least 3.33 percent of the state grant must be provided.

Welfare to work (w2w)—State funds are available annually for the purpose of reducing transportation-related barriers that prevent low-income individuals (incomes less than 200 percent of the Federal Family Poverty Income Guidelines) from accessing employment and being dependable workers. Eligible applicants are county/municipal governments (except Allegheny and Philadelphia) and local transportation organizations/authorities.

Keystone Scholars—Get a head start on education savings with \$100 from Keystone Scholars! Keystone Scholars is available for every baby born to a PA family after December 31, 2018 or subsequently adopted by a PA family. A child with education savings is three times more likely to enroll in a two- or four-year college and four times more likely to graduate. That's why PA Treasury is investing \$100 to be used for the baby's future higher education expenses. That includes expenses for vocational or technical school, apprenticeships, as well as two and four-year colleges. Families can register for online access approximately 5 months after the child's birth using information from the child's PA state birth certificate. Families will receive a welcome letter in the mail from PA Treasury with instructions on how to do this. Prior to that time, new or expectant families can pre-register at pa529.com/keystone. Families may save in their child's own PA 529 account and link it to their Keystone Scholars account to see all their education funds in one place.

RESOURCE / GRANT

INFORMATION / CONTACT

The Center for Rural Pennsylvania is a bipartisan, bicameral legislative agency that serves as a resource for rural policy research within the Pennsylvania General Assembly. The Center's mission is to promote and sustain the vitality of the state's rural and small communities by: administering grants to conduct research on matters relating to rural conditions; maintaining and disseminating a broad base of information on rural trends and conditions; publishing research and project results; and sponsoring regional and statewide forums on rural issues. Visit the Center's website to read the reports and view upcoming forums.

Research Grants—As part of the Center's yearly Research Grant Program, the Board of Directors approves topics for research projects. All projects must show a clear relationship to one or more of the Center's mandated research areas, which are: rural people and communities; economic development; local government finance and administration; community services; natural resources and the environment; rural values and social change; educational outreach; agriculture; and health and welfare concerns. In addition to research grants, mini grants are also awarded.

Eligibility: Grants are awarded to qualified faculty members of Pennsylvania State University, the Pennsylvania State System of Higher Education (PASSHE) universities, and the regional campuses of the University of Pittsburgh. Partnerships with other academic institutions, community organizations, and public and private agencies are encouraged.

Research Grant Program: One-year grants are awarded to conduct applied policy research or to identify local strategies that can result in legislative or program policy considerations or recommendations. The maximum allowable grant award is \$50,000 per project.

Mini Grant Program: Mini Grants are awarded to projects that focus on basic data collection and analysis, time-sensitive issues, and/or the preparation of reference materials. Projects supported as Mini Grants are a maximum of nine months in duration and are eligible for a maximum of \$15,000 in Center support.

Redevelopment Assistance Capital Program (RACP)—The state’s RACP program is designed to aid community and economic development projects throughout the commonwealth that demonstrate significant economic impacts to local and regional economies. The RACP program operates as a reimbursement program for eligible project costs including, but not limited to, construction, land acquisition, permitting, and any interest costs paid during construction. A RACP scope of work must include a construction component and cannot be 100% land reimbursement. Capital projects eligible for RACP funding must have a total project cost of at least \$1 million, with a required minimum of 50 percent participation in non-state match.

Detailed information is available at the RACP website at **www.racp.pa.gov**

The process for securing RACP funds begins with the inclusion of a line item authorization for a specific project in the state’s Capital Budget, allocating a certain amount of funding to the project. Act 77 of 2013, Act 45 of 2017, and Act 25 of 2020 amended the Capital Facilities Debt Enabling Act, decreasing the commonwealth’s debt ceiling by a combined \$700 million with an additional \$50 million annual reduction starting in 2018 until \$3.1 billion of outstanding obligations is reached.

Applicants who have an authorized and eligible project will need to submit an e-Application through the DCED Electronic Single Application website during an open funding round window. All submissions that pass an initial review of eligibility and completeness will be sent to the Administration. Once a project is selected, based on final approval of the Governor, an award letter will be sent detailing the amount of the RACP award and instructions to submit a formal Application and Business Plan for the RACP grant to the Office of the Budget for further processing. Successful applicants are required to notify the Office of the Budget within 30 days of receipt of an Award Letter as to whether or not they are accepting the grant award.

RESOURCE / GRANT

INFORMATION / CONTACT

The Governor's Office of Homeland Security helps to administer two federal grant programs for law enforcement agencies and nonprofit organizations within the Commonwealth. The Homeland Security staff can assist with the application process and recipient project planning.

Operation Stonegarden (OPSG)—Grants from OPSG enhance law enforcement preparedness and operational readiness along the borders of the U.S. Grant awards are intended to promote cooperation and coordination between local, tribal, territorial, state and federal law enforcement agencies. Eligible Recipients: Erie County is the only PA jurisdiction eligible to receive OPSG funds.

Details about Operation Stonegarden are available from the U.S. Department of Homeland Security website or by calling GOHS at 717-346-4460.

Urban Area Security Initiative - Nonprofit Security Grant Program (NSGP)—UASI-NSGP grants help nonprofit organizations, which are at a high risk of terrorist attack, with security and preparedness activities. A goal of the program is to integrate nonprofit preparedness activities with the broader state and local preparedness efforts and to promote communication between public and private organizations. Eligible Recipients: Nonprofit organizations that are at high risk of terrorist attack and are located within a specific UASI-eligible urban areas. In Pennsylvania, Philadelphia and Pittsburgh are the only designated UASI areas. The Philadelphia UASI includes Bucks, Chester, Delaware, Montgomery and Philadelphia counties. The Pittsburgh UASI includes Allegheny, Armstrong, Beaver, Butler, Fayette, Westmoreland and Washington counties. Funding: The total amount distributed throughout the U.S. for fiscal year 2013 was \$9 million. The maximum award is \$75,000.

Application Process: Nonprofit organizations email applications to the PA Homeland Security office. Applications are checked for completeness, format and content. The applications are then sent to the Philadelphia UASI Executive Committee for scoring according to criteria set by the federal Department of Homeland Security (DHS). The UASI scores the applications and returns them to the PA Homeland Security office, who prioritizes all submissions, and submits them to DHS/FEMA. PA Homeland Security receives notification from DHS as to which applicants received an award.

Timeline: Application and guidance kits are released by DHS in December. Homeland Security immediately sends the kits the UASI areas, and all the nonprofits we have contact with. Application submissions from nonprofit organizations are due back to the Homeland Security office by early April. The commonwealth sends the applications to the associated UASI for scoring after the scoring sheets are returned to the office for submission to DHS by late April or early May. Awards are announced 90 days later. Recipients have 36 months to complete the projects identified in their applications.

More Information: Details about the Urban Areas Security Initiative Nonprofit Security Grant Program are available from the U.S. Department of Homeland Security website or by calling PA Homeland Security at 717-346-4460.

PENNSYLVANIA DEVELOPMENTAL DISABILITIES COUNCIL

www.paddc.org • facebook.com/PADDC • twitter.com/paddcouncil

RESOURCE / GRANT

The Pennsylvania Developmental Disabilities Council (PADDC)— PADDC is a group made up of people with disabilities, family members, advocates and state department representatives who work to create favorable conditions for people with developmental disabilities and their families in the commonwealth. Created under the Federal Developmental Disabilities Assistance and Bill of Rights Act and Governor’s Executive Order, the council is both a planning group and a funding body. PADDC envisions a commonwealth comprised of inclusive communities where all people with disabilities are valued and thrive. The council’s work is broad and its activities are many. The council engages in advocacy, systems change and capacity building for people with developmental disabilities and their families in order to:

- Support people with disabilities in taking control of their own lives
- Ensure access to goods, services, and supports
- Build inclusive communities
- Pursue a cross-disability agenda
- Change negative societal attitudes towards people with disabilities

In so doing, the council will bring about benefits to individuals with disabilities other than developmental disabilities and, indeed, to all people. The Pennsylvania Developmental Disabilities Council concerns itself with trends at the local and national levels that may have an influence in the lives of people with disabilities and/or their families. By carefully watching and examining trends and new developments, the council is up-to-date on ways to support people with disabilities and families right here in Pennsylvania. The council is always seeking thoughts and ideas from concerned citizens regarding issues that affect the lives of people with developmental disabilities and creative ideas for tackling these issues in Pennsylvania. For more information contact the council.

HOW DO ORGANIZATIONS GET GRANTS FROM THE COUNCIL?

The council funds proposals from groups and organizations through a competitive bid process. All grant activities of the council are governed by the council’s federally approved state plan and by the procurement requirements of the U.S. Department of Health and Human Services and the Commonwealth of Pennsylvania. Grants are typically available for only short periods of time and are generally for specified activities. The council periodically announces Requests for Proposals (RFPs) and issues notices of funding for smaller grants through its Community Small Grants. It does not have discretionary funds beyond those publications. The council only accepts proposals for the projects described in the RFP booklet and in response to notices of funding for the Community Small Grants. The RFP booklet contains descriptions of projects that the council will be funding and instructions on how grant proposals must be written to meet the council’s requirements. People on the council’s mailing list receive the booklet in the mail. Other copies of the booklet are distributed by hand or accessed on the council’s website.

PENNSYLVANIA EMERGENCY MANAGEMENT AGENCY (PEMA)

www.pema.pa.gov

RESOURCE / GRANT

Assistance to Firefighters Grant (AFG) Program—This program assists rural, urban, and suburban fire departments throughout the U.S. Funds are used to increase the effectiveness of firefighting operations, to improve firefighter health and safety programs, and to establish or expand fire prevention and safety programs.

Disaster Assistance Grant Programs—PEMA is the point of contact for required forms when a state and federal disaster has been declared. Individuals can readily obtain the following forms: Individual Assistance Forms, Public Assistance Forms, Federal Public Assistance References and Forms, and Hazard Mitigation Forms.

Emergency Management Performance Grant—This grant provides the necessary direction, coordination and guidance, and assistance to support a comprehensive all-hazards emergency preparedness system. This program provides up to 50 percent of the salary and benefits of approved emergency management agency job positions. All 67 counties are eligible to apply. This grant requires a 50 percent county match.

Fire Company and Emergency Medical Service Grant Program—Grants range from \$2,500 to no more than \$15,000 per fire company applicant, or more than \$10,000 per emergency medical service, unless the applicant is comprised of two groups that had previously merged.

Hazardous Materials Emergency Preparedness Planning and Training Grants—The purpose of this grant program is to increase effectiveness in safely handling hazardous materials accidents and incidents, enhance implementation of the Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA), and encourage a comprehensive approach to emergency training and planning by incorporating unique challenges of responses to transportation situations. All 67 counties are eligible to apply. These grants require a 20 percent county match; the match may be accomplished with county or state Hazardous Materials Response Fund grants, or as a “soft-match,” such as the value of in-kind contributions. Counties may receive grants in both planning and training programs. Grants under this program are on a reimbursable basis – expenditures are reimbursed after completion of activities or contractual obligations.

Hazardous Materials Response Fund—The fund is designed to provide supplemental emergency preparedness funding for chemical emergency plans by Local Emergency Planning Committees (LEPCs) and industry, acquisition of hazardous materials response team equipment, public Right-to-Know education, chemical industry awareness and compliance, and training and exercises. All 67 counties are eligible.

PENNSYLVANIA GAME COMMISSION

www.pgc.pa.gov

RESOURCE / GRANT

Private Landowner Assistance Program—A team of Pennsylvania Game Commission biologists is ready to assist landowners in making their properties more attractive for wildlife, particularly species of greatest conservation need. This program aids interested landowners in developing habitat management plans in each of the state's six geographic regions. This program is custom-made for landowners who are interested in creating, preserving, or enhancing wildlife habitat. Although the plans focus on species of concern, a wide variety of species often benefit from these habitat plans once they are implemented. There is no charge for participating in the program, nor is there a public access requirement. Biologists will follow-up their planning effort by checking with participating landowners to see if they have questions or need additional direction.

LOCAL SHARE DISTRIBUTION

In addition to the tax rate on gross gaming revenue owed to the Commonwealth as a result of casino gaming, the Gaming Act provides for a local share distribution from various forms of gaming to enhance the community by sending additional monies to municipal, county, and state governments. The tax rate is expressed as a percentage of gross gaming revenues as defined in the pertinent sections of the Act. How much money – and where that money goes – is highlighted below:

Slot Machine Local Share at a Category 1, 2, or 3 facility—The Local Share distribution is generally 4% (2% to host county and 2% to host municipality) of a Licensed Facility's Gross Terminal Revenue* subject to noted exceptions below and is distributed as follows:

GRANTS AND SCHOLARSHIPS

Blind or Deaf Beneficiary Grant Program—Grants to blind or deaf students attending a postsecondary institution. The maximum award cannot exceed \$500 within an academic year.

Military Family Education Program (MFEP)—This tuition assistance program benefits the families of members of the Pennsylvania National Guard who have completed an initial service obligation and enter into an additional six-year service obligation with the Pennsylvania National Guard. MFEP awards full-time or part-time students a grant which is the lesser between the in-state tuition rate plus technology fee charged by the Pennsylvania State System of Higher Education (PASSHE) or the cost of the program in which the student is enrolled. The PA Guard Member can assign the entire benefit to one dependent or divide it among multiple dependents.

PA State Grant Program (Full-Time)—Need-based grants awarded to eligible PA residents attending a PHEAA-approved postsecondary school as an undergraduate student, based on tiered college costs with in-state maximums up to \$4,525 and maximum out-of-state awards up to \$578 for nonveterans and \$770 for veterans. Students must be enrolled in an eligible program of study and an approved institution for a minimum of 12 semester credits per term (or the equivalent). All awards subject to an award adjustment based on available funding.

PA State Grant Program (Half-Time)—Need-based grants awarded to eligible PA residents attending a PHEAA-approved postsecondary school as an undergraduate student, based on tiered college costs with in-state maximums up to \$2,262 per part-time student at a PA school and up to \$500 at out-of-state schools; veterans are eligible for up to \$500 at an out-of-state school. Students must be enrolled for 6 - 11 semester credits (or the equivalent) in an eligible program of study. Award amounts vary based on school location as well as cost of attendance at that institution. All awards subject to an award adjustment based on available funding.

Partnership for Access to Higher Education (PATH) Grants—Matching grants of up to \$3,000 are provided to recipients of scholarships from 37 Pennsylvania foundations.

Pennsylvania National Guard Educational Assistance Program (EAP)—Provides tuition assistance for students who enter into a service commitment with PA National Guard, typically for a period of six years. Recipients must attend a Pennsylvania school, enroll in an approved program of study, and maintain at least part-time enrollment. The maximum award for a full-time student is equivalent to the lesser of the tuition plus technology fee charged

PHFA PROGRAMS FOR HOMEBUYERS

HFA Preferred™ Loan Program—The HFA Preferred™ Loan provides a conventional, 30-year fixed-rate mortgage with private mortgage insurance provided by a Fannie Mae-approved mortgage insurer. If the homebuyer makes a downpayment of 20 percent or more, then mortgage insurance is not required. Private mortgage insurance payments on the loan will also end as soon as the homeowner pays off 20 percent of their home loan.

Keystone Home Loan (KHL)—The Keystone Home Loan provides a 30-year, fixed-rate home mortgage loan to eligible homebuyers. Federal Housing Administration (FHA), Department of Veterans' Administration (VA), Rural Development (RD), and conventional loan types are available. The program has a first-time homebuyer requirement in much of the state, although there are 39 targeted counties and several counties with targeted census tracts where the first-time homebuyer requirement is waived. The first-time homebuyer requirement is also waived for eligible veterans. Homebuyers may also qualify for downpayment and/or closing cost assistance through the Keystone Advantage Assistance Loan.

Keystone Advantage Assistance Loan Program (KAAL)—The Keystone Advantage Assistance Loan Program provides a second mortgage loan to help with the costs associated with the purchase of a home. Qualified borrowers can receive up to 4 percent of the purchase price or market value of the home, up to a maximum of \$6,000. The assistance loan is interest free and is repaid monthly over a 10-year term. The Keystone Advantage Assistance Loan can be used to cover the downpayment or closing costs in conjunction with the HFA Preferred™, Keystone Home Loan, or Keystone Government Loan programs. It may also be combined with the Mortgage Credit Certificate (“MCC”) program.

Mortgage Credit Certificate (MCC)—A PHFA Mortgage Credit Certificate (MCC) allows homebuyers to claim a tax credit ranging from 20 percent to 50 percent of the mortgage interest paid per year, capped at \$2,000 annually. The certificate is a dollar-for-dollar reduction against the homeowner’s federal tax liability available to qualified homebuyers in conjunction with the HFA Preferred™ or Keystone Government Loan programs. The MCC may also be combined with a Keystone Advantage Assistance Loan for downpayment/closing cost assistance. Due to the source of funds, an MCC cannot be used in conjunction with the Keystone Home Loan program. The tax credit is available for the 30-year life of the loan and only expires if the home is sold or the homeowner fails to occupy the home as their principal residence.

PHFA REFINANCE OPTIONS

FHA Streamline Refinance Loan Program—The FHA Streamline Refinance loan product allows eligible homeowners to refinance their existing FHA loan to reduce their current monthly mortgage payment. The new loan can only include the outstanding principal balance minus any applicable refund of the Up Front Mortgage Insurance Premium (UFMIP) plus the new UFMIP, up to a maximum amount of 97.75 percent of the original appraised value. Cash back to the borrower is not permitted. Any and all subordinate loans must be re-subordinated or paid off by the borrower; they cannot be paid off with the new loan. A copy of the homebuyer's repayment history verifying timely mortgage payments will be required.

KeystoneHELP—Pennsylvania, in partnership with Renew Financial, offers home energy loans with fixed rates to help homeowners complete energy efficiency improvements to their homes.

Additional information regarding this program can be found at <https://renewfinancial.com/product/keystonehelp>

Local Government—Start with your county unless you live in a larger city. Some townships and boroughs also have funds available. Phone numbers can be found in the blue, government pages of your phone book. Often the right office is a “Redevelopment Authority,” a “Housing and Redevelopment Authority or Agency,” “Weatherization Program” or a “Planning Office.” If you do not find a listing similar to this for your local government, try the general information number and explain that you need assistance with home repairs, accessibility modifications or your specific housing issue. Funds may be available and may include: HOME, CDBG, Act 137 Funds and PA Accessible Housing Program.

Philadelphia Neighborhood Housing Services, Inc. (PNHS)—A certified Community Development Financial Institution serving low- and moderate-income residents of the City of Philadelphia with loans and financial products for home improvement mortgages. The Philadelphia Home Improvement Loan (PHIL) provides interest rates of 3 percent and 5 percent based on income and terms up to 20 years. The Mini-PHIL Loan provides low-interest rates as well with terms up to 10 years.

Contact—Denise Jefferson, Loan Officer for more information and up-to-date interest rates and terms at 215-476-4205 or view PNHS website: www.phillynhs.org/loans.htm

Quick Start Housing Resource—PHFA and the Self-Determination Housing Project’s Regional Housing Coordinators have compiled information about specific social service and housing resource agencies across the commonwealth.

For more information, go to www.phfa.org/mhp/serviceprovider/ click on “Hot Topics” and scroll down to Quick Start Housing Resources to begin your search by county.

U.S. Rural Development Agency (USDA)—This agency offers loans and/or grants to assist individuals living in rural areas. Funding may be available through Rehabilitation Loans that have a 1 percent interest rate and offer up to \$20,000. There is also very limited grant funding available for senior citizens in amounts up to \$7,500.

If you live in a rural area, contact the state office at 1-800-670-6553 and ask for help in determining which regional office you should contact or use the web and go to the regional office directly www.rurdev.usda.gov/pa

Weatherization—This county or regional program provides grants for specific energy efficiency and heat-related repairs.

PENNVEST LOANS, LOAN GUARANTEES AND GRANTS

Advance Funding Program—Low-Interest loans and possible supplemental grants to pay for design of improvements to water or wastewater systems.

Brownfield Redevelopment Funding—Low-interest loans for the remediation of sites that have been contaminated by past industrial or commercial activity and pose a threat to water sources.

Clean Water State Revolving Fund—The Clean Water State Revolving Fund (CWSRF) program is a federal-state partnership that provides communities low-cost financing for a wide range of water quality infrastructure projects. The PENNVEST Clean Water State Revolving Fund (CWSRF) program provides affordable financing for wastewater and certain other projects throughout Pennsylvania for the construction, improvement, extension, expansion, repair or rehabilitation of wastewater collection, treatment or disposal facilities, storm water management, nonpoint source pollution controls including but not limited to agricultural best management practices and watershed and estuary management. The program offers low interest loans with flexible terms and principal forgiveness funds where applicable and available. Funding awards are made by the PENNVEST Board at scheduled meetings and the type and amount of funds are dependent upon the relative ranking of a project in the pool of projects, the economic need of the system and the amount of funding available for award at that meeting. PENNVEST performs similarly to a bank for the CWSRF program in Pennsylvania and manages the financial aspects of the fund, while the Department of Environmental Protection is the technical arm for the program. The seed money for the CWSRF has been distributed to states annually under Congressional authorization pursuant to the Clean Water Act of 1987. The funds and the program are administered nationally by United States Environmental Protection Agency (EPA).

Commonwealth Funding—In addition to Federal EPA CWSRF and DWSRF funding, PENNVEST uses Commonwealth funding sources that are also invested into the program for funding clean water and drinking water projects. A major component to PENNVEST funding is realized through public approval of referendums that propose expenditures from state revenues to be specifically used to assist Commonwealth communities with the funding of water infrastructure projects through loans. Revenues from the Commonwealth General Obligation bonds were approved by public vote from the 1981 Referendum for \$225.4 million, the 1988 Referendum for \$300 million, the 1992 Referendum for \$350 million, and most recently, the 2008 Referendum for \$400 million. State Regulations for PENNVEST Funded Projects and special legislative acts have been issued for the purposes of providing additional funding to the PENNVEST program. Act 218 was enacted in 2004 and, among other things, provided PENNVEST with \$50 million to be used as grants for improvements to water and wastewater systems with an emphasis on nutrient reduction facilities and combined sewer overflows within. Act 68 was approved in 1999, resulting in \$171 million in PENNVEST grants issued through the Growing Greener Program. In the past, other state funds have also been invested into PENNVEST through both the initial capital budget for program start up and allocations of Commonwealth general funds.

Green Initiatives—PENNVEST actively funds Green Initiatives that promote and encourage environmental responsibility in our communities that are creative and innovative with green solutions for water quality management. These solutions can be as simple as installation of water barrels for water collection and re-use, to regional projects that reduce sediment and nutrient contamination of the Chesapeake Bay watershed by reducing storm water runoff from agricultural areas.

Growing Greener Grants—The Growing Greener initiative has created an opportunity for PENNVEST to participate in innovative ways to promote sound land use, while simultaneously improving the Commonwealth's water resources. Under this initiative, PENNVEST has grant funds available for drinking water, wastewater and storm water infrastructure projects. These are the same types of projects that PENNVEST has always funded. PENNVEST uses these grant funds in its normal funding process, making these infrastructure projects more affordable for the users who ultimately must pay for them. The PA Department of Environmental Protection reviews applicants for their own Growing Greener grant funding and refers to PENNVEST some of those that they are not able to accommodate at the time of review. These will likely be applicants for drinking water, wastewater and storm water infrastructure projects such as those traditionally funded by PENNVEST. As soon as those referrals come to PENNVEST, we will contact the applicants to work them into our funding process.

PENNVEST Military Installation Remediation/Polyfluoroalkyl Substances (PFAS) Remediation Program Guidance—The Pennsylvania General Assembly in its 1988 session passed the Pennsylvania Infrastructure Investment Authority Act (March 1, 1988, P.L. 82, No. 16), which was subsequently amended in 1992 (December 18, 2992, P.L. 1137, No. 149), 2005 (July 14, P.L. 299, No. 51) and 2013 (June 19 P.L.51, No. 16) all of which is codified at 35 P.S. Section 751.1 et. seq. (the "Act"). The Act, among other things, created the Pennsylvania Infrastructure Investment Authority ("PENNVEST") and authorized PENNVEST to establish revolving funds and accounts to administer its programs. Consequently, PENNVEST created the Clean Water State Revolving Fund ("CWSRF") to administer the federal program and funds received under capitalization grants pursuant to Section 601 of the Federal Water Pollution Control Act, 33 U.S.C. Section 1381 to fund wastewater projects and to fund projects that control nonpoint source pollution pursuant to Section 319 of the Federal Water Pollution Control Act, 33 U.S.C. Section 1329 and the Drinking Water State Revolving Fund ("DWSRF") to administer the federal program and funds received to under capitalization grants pursuant to Section 1452 of the Safe Drinking Water Act Amendments of 1996 (August 6, 1996, P.L. 104-182) to fund drinking water projects through public drinking water supply systems. PENNVEST also created a Commonwealth/PENNVEST funded revolving loan program pursuant to 35 P.S. Section 751.5(c)(2) to fund water, wastewater, stormwater and nonpoint source projects using the seed money appropriated to PENNVEST for such purposes by the Commonwealth, investment earnings, bond proceeds and proceeds of proceeds. Further, the Pennsylvania General Assembly declared in its 2019 session that there is a lack of funding and knowledge related to remediation needed at military installations to address per and polyfluoroalkyl substances ("PFAS") contamination, and that there is a need to provide proper infrastructure in the water systems serving military installations and surrounding parcels. Two programs were created, one for qualified Military Installations, and the other for PFAS remediation for public drinking water supply systems serving parcels surrounding nonqualified military installations. The latter is administered by PENNVEST, the former is administered through the Department of Revenue.

PROGRAM LONG-TERM OBJECTIVES AND BENEFITS:

Drinking water system or facility owners or operators are eligible to apply, provided they are otherwise authorized to make application under the PENNVEST Act. The system or facility may be privately or publically owned or operated.

REGULATORY REQUIREMENTS: This section is reserved for any future federal or state PFAS regulatory requirements.

FUNDING AVAILABILITY: No special appropriation has been budgeted for this initiative. PENNVEST is directed in addition to any other program of PENNVEST, from funds available to PENNVEST, to provide grants under the PFAS remediation program. PENNVEST receives grant funds under various sources

including but not limited to the Environmental Stewardship Fund, Growing Greener Plus Grants, investments, and proceeds of proceeds. PENNVEST also uses certain federal program funds for principal forgiveness. Principal forgiveness, like a grant, requires no repayment. Should PENNVEST have sufficient non-repayment capacity (combining grant and principal forgiveness funds) to satisfy all affordability based needs of funding awards in the competitive funding round, PENNVEST is directed to make available the balance of that non-repayment capacity for the award of PFAS grants to eligible applicants in that particular funding award round.

ELIGIBLE APPLICANTS: Public drinking water supply system owners or operators serving parcels surrounding nonqualified military installations where the water supply has PFAS contamination. If the operator of the system makes an application, they must be joined in the application by the system owner.

ELIGIBLE PROJECTS: Drinking water projects, as defined by the PENNVEST Act, which serve a parcel or parcels surrounding a nonqualified military installation that has PFAS contamination exceeding regulatory thresholds are eligible for this program. Such projects are also eligible for consideration for financial assistance under the traditional PENNVEST drinking water program.

FINANCING TERMS: Eligible applicants may apply for funding consideration under the traditional PENNVEST program and, if there is remaining non-repayment capacity in that funding round, it may be awarded as PFAS non-repayment.

APPLICATION PROCEDURE: All applications will be received electronically through the PENNVEST portal and processed through traditional workflows. Additionally, the following shall apply:

- Applicant shall provide evidence that the drinking water system serves parcels which surround a nonqualified military installation;
- Applicant shall provide evidence of PFAS contamination beyond a regulatory threshold determined to be safe for the public by the Pennsylvania Department of Environmental Protection;
- Applicant shall provide evidence that the proposed solution is the most cost effective approach to the PFAS remediation; and,
- Applicant shall submit the application through the traditional PENNVEST application process and mark the application as eligible for the PFAS program.

PENNVEST Small Projects Guidance—In its 1988 session, the Pennsylvania General Assembly passed the Pennsylvania Infrastructure Investment Authority Act (March 1, 1988, P.L. 82, No. 16), which was subsequently amended in 1992 (December 18, 1992, P.L. 1137, No. 149), 2005 (July 14, P.L. 299, No. 51) and 2013 (June 19 P.L.51, No. 16) all of which is codified at 35 P.S.

Section 751.1 et. seq. (the "Act"). The Act, among other things, created the Pennsylvania Infrastructure Investment Authority ("PENNVEST") and authorized PENNVEST to establish revolving funds and accounts to administer its programs. While PENNVEST's traditional assistance programs meet the needs of most potential funding applicants, many lower cost projects in small communities are presently not accessing the PENNVEST program for funding, in part due to the expense in complying with additional terms tied to the funds and the time delay between application and funding offer. To address these issues, staff proposed to the Board that we provide up to \$500,000 toward costs, per project, and that the Board allocate \$15,000,000 toward the Small Project Initiative ("SPI") program in general, authorizing staff to conduct an expedited review on the applications and make the funding awards. The SPI funding awards would be in the form of low interest loans only, no extended term bond purchases, grants or principal forgiveness loan awards. The reviews and approvals would be expedited at the staff level reducing the time it takes to receive an award.

FUNDING AVAILABILITY: PENNVEST will allocate available Commonwealth/PENNVEST revolving loan program recycled funds.

ELIGIBLE APPLICANTS: SPI funds are available to public or private entities implementing small eligible projects. Small projects are defined as projects serving communities with a population of 12,000 people or less or projects having hookups of 1,000 or less, or projects involving an agriculture operation.

ELIGIBLE PROJECTS : Under the SPI, eligible applicants are permitted to request \$500,000 or less from PENNVEST, including contingency. Total project costs at time of award may not exceed \$1,000,000. Requests for funding under the SPI are not eligible for PENNVEST extended term bond purchases, grant awards or principal forgiveness loans. All project types defined in the PENNVEST Act are eligible for participation in the SPI except that land acquisition, silvicultural and projects with land conservation easements are not eligible for funding under the SPI program. Those projects may submit application to PENNVEST for funding under the traditional PENNVEST program and if ranked sufficiently may be brought before the Board for consideration. Applicants must have all environmental permits in hand at time of application, if applicable. The cost of any SPI project will be based on planning estimates. Any funding increase request in excess of \$500,000 must be submitted to the PENNVEST Board of Directors in accordance with standard protocols for increase requests.

LOAN INTEREST RATES, TERMS AND OTHER CONDITIONS:

The maximum term of loans under this initiative will be interest only for the construction period, not to exceed three (3) years, followed by a twenty (20) year principal and interest repayment term. Interest rates on loans will be at the allowable county maximum rates, as defined in section 10(f) of the PENNVEST Act. If a project qualifies for consideration of either an extended term bond purchase, a grant award or a principal forgiveness loan the

PENNSYLVANIA INFRASTRUCTURE INVESTMENT AUTHORITY (PENNVEST)

applicant may qualify for an interest rate reduction or choose to withdraw the application from the SPI and submit the application for consideration under the traditional PENNVEST program.

APPLICATION PROCEDURE: All applications will be received electronically through the PENNVEST portal and processed through traditional workflow with the objective of rendering a decision from staff within two (2) weeks of submittal. Staff may, in its sole discretion or upon request of the applicant, move a project to the traditional program for full consideration by the PENNVEST Board of Directors.

TERMS THAT DO NOT APPLY: Davis Bacon Wage Rates, Architectural and Engineering Services Requirements, American Iron and Steel Requirements, Uniform Environmental Review Requirements, Disadvantaged Business Enterprise Requirements, Fiscal Sustainability Plan Requirements

TERMS THAT DO APPLY: Steel Products Procurement Act Requirements "Or Equal" Bidding Requirements, Cost Effectiveness Requirements

DISBURSEMENT OF LOAN FUNDS

Loan funds will be disbursed to the borrower on a reimbursement basis. As the borrower incurs expenses and receives bills for eligible activities, the borrower will prepare and submit a payment request to PENNVEST in accordance with established policies and procedures for PENNVEST's funds disbursement process. Thereafter, the borrower will receive the funds electronically as a reimbursement for costs incurred.

PENNVEST Programmatic Financing (Pro Fi) Guidance—

Programmatic Financing ("Pro Fi") is an innovative financing vehicle that better aligns PENNVEST funding with the needs of utilities. Pro Fi shifts the traditional project-specific lending strategy to one that is more congruent with the utility planning model, matching the funding approval to the annual (or multi-year) cash flow needs of the utility. Instead of issuing a binding commitment for a certain dollar amount for a single project, a Pro Fi funding package funds a Capital Improvement Plan (in entirety or in part) for a group of drinking water or wastewater projects so long as each individual project or phase of projects is eligible and prepared in compliance with program requirements. By shifting from short-term project financing to long-term program financing, as many larger private and government-owned utilities typically implement for infrastructure needs, the Pro Fi program: 1) helps PENNVEST develop strong, lasting relationships with such entities as repeat borrowers; 2) allows PENNVEST to extend program subsidies to benefit residential customers in these larger systems; and, 3) ensures long-term funding is available to facilitate timely replacement of deteriorating infrastructure. The White Paper approved by the PENNVEST Board at its July 17, 2019, Board Meeting authorizing Pro Fi is attached in Appendix A, following the form used for the recommendation to PENNVEST for Pro Fi projects from the Department of Environmental Protection ("DEP").

FUNDING AVAILABILITY: No special appropriation has been budgeted for this initiative. PENNVEST will make funding available from its existing budgeted funds.

ELIGIBLE APPLICANTS: Applicants may be either public or private entities who are otherwise eligible for PENNVEST programs.

ELIGIBLE PROJECTS : All projects otherwise eligible for financing under the State Revolving Fund and have an approved Capital Improvement Plan ("CIP") enacted by its governing body. In addition to funding traditional drinking water or wastewater projects through Pro Fi, PENNVEST can fund stormwater projects, green infrastructure projects, conservation easements and other types of restoration projects for wetlands, streambanks, and watersheds through a non-point source Pro Fi funding award.

LOAN INTEREST RATES, TERMS AND OTHER CONDITIONS: Pro Fi funding awards are all loan at county cap rates with a 20-year repayment term. Pro Fi projects are not eligible for grant or principal forgiveness awards. If applicants want to be considered for grants, principle forgiveness, and/or an extended term, then an application must be submitted under the traditional PENNVEST funding program.

APPLICATION PROCEDURE: All applications shall be submitted through the PENNVEST Portal and processed through traditional workflows. Additionally, the following will apply:

PENNVEST, DEP, and DCED will rank all applications on the entire scope of the program that includes all project phases included in the application;

Environmental Assessments may be completed by each phase when applicable. All permits and environmental clearances need to be done for the first phase to be considered by the Board;

Funding requests should fall within a 3 year time period of a CIP and should contain the total dollar amount requested, the maximum dollar value per year, and the number of years the request covers. Example 1: \$150M over 3 years with a maximum of \$50M per year. Example 2: \$100 M over 3 years with \$50M year 1, \$25M year 2, and \$25M year 3;

Applicants shall include in their funding request:

- A. A copy of the adopted CIP with the anticipated projects for funding identified;
- B. Documentation that the CIP has been approved by the entity's governing body; and,
- C. A copy of the resolution, ordinance, or other action authorizing the Pro Fi funding request;

The PENNVEST Project Specialist responsible for the application shall designate the project as a Pro Fi project during the Ranking and Review phase of application consideration;

Pro Fi projects will not be eligible for Letters of No Prejudice;

Pro Fi projects will not be eligible for changes to the scope of the project;

PENNVEST Project Specialists will label project documents according to phase for ease of identification and processing;

PENNVEST will conduct its cost effectiveness analysis for all phases in the funding request prior to approval of a Pro Fi application; and,

Pro Fi projects must satisfy all federal application and funding requirements to be considered by the PENNVEST Board.

SUBSEQUENT PHASES: PENNVEST Project Specialists will coordinate the review and processing of subsequent phases for a Pro Fi project and will coordinate notifying the supporting agencies and PENNVEST staff when subsequent phases are ready for settlement.

To satisfy permitting and environmental approval requirements for subsequent phases of Pro Fi projects, DEP will complete and upload the form attached hereto as Attachment I to the traditional Ranking and Review Documents tab under the DEP review section.

OTHER ITEMS: The ProFi will be listed in the Intended Use Plan for the total amount approved and in the Project Priority List for the total amount requested.

Act 85—The PLCB released the first biennial report to the General Assembly on underage and dangerous drinking in trends of underage consumption, existing state prevention programs and science-based proven prevention strategies that could impact future programming. This report was delivered to the General Assembly in the spring of 2019.

INFORMATION / CONTACT

For more information about all the listed resources, please contact the Bureau of Alcohol Education at 1-800-453-7522 or email ra-lbeducation@pa.gov.

Alcohol Awareness Poster Contest—This contest challenges students in grades K-12 to create a poster about the facts, consequences and alternatives to underage drinking and/or drinking and driving. The winning entries and student artists are honored in a ceremony in Harrisburg. Some of their designs are reproduced by the PLCB throughout the year and disseminated to schools and the public.

Website—A section of the PLCB website is dedicated to alcohol education and provides information and resources to the public. Parents, students, professionals and licensees can check out the latest statistics, find county resources, research current alcohol-related laws, order prevention materials through PLCB+, and link to state and national organizations working to address underage and high-risk alcohol consumption.

Visit www.lcb.pa.gov, then click Education.

Know When. Know How.—Know When. Know How. is a statewide, research-based education and prevention campaign targeted to Pennsylvania parents of children ages 8 through 12. The objective of the campaign is to prevent underage drinking by providing information and tools for parents so they can engage their children in discussion before trial or use of alcohol begins.

www.knowwhenknowhow.org

Conference—Each year, the Bureau of Alcohol Education hosts or sponsors a statewide conference for prevention personnel from law enforcement, colleges, communities and schools. The conference offers a venue to share the latest information on prevention strategies and innovative programs that have made a difference in communities across Pennsylvania.

Reducing Underage and Dangerous Drinking Grants—Grants are awarded biannually to Pennsylvania colleges, universities, municipalities and community organizations for environmental management strategies to address the issues of underage and binge drinking. This includes funding for such things as establishing campus and community coalitions, reducing the availability of alcohol, increasing enforcement efforts and creating a local environment that reduces excessive and underage consumption of alcohol.

Exhibits—PLCB staff attends and/or provides materials for various events, such as health fairs, conferences, legislator events, etc. The goal is to educate the public about the consequences of underage and dangerous drinking and to make them aware of the resources we have available for them.

Facebook—The Bureau of Alcohol Education has a Facebook page to keep stakeholders apprised of PLCB initiatives and share news and information about issues relating to alcohol. Search for us at PLCB Alcohol Education.

Prevention Materials—The PLCB develops and disseminates numerous alcohol education materials. Each year, hundreds of thousands of pieces of literature and materials are distributed. More than 200 different items (including brochures, posters, stickers, pencils and coloring sheets) are available free of charge to Pennsylvania residents. Most items are printed in house by the PLCB Graphics Department. Materials are developed based on current trends or the needs of our target populations and regularly updated.

Public Service Campaigns—The PLCB uses various media – television, radio, online, outdoor and print – to raise awareness of alcohol-related issues.

RAMP—The Responsible Alcohol Management Program (RAMP) was created by the PLCB to help licenses and their employees serve alcohol responsibly. RAMP offers practical advice for licenses operating restaurants, hotels, clubs, distributors and even special occasion permit holders.

Training/Technical Assistance—The PLCB continues to coordinate statewide training opportunities on various alcohol-related topics. One of the trainings is the Resident Assistant Training available at no charge to institutions of higher education. This nationally recognized program teaches those on the front lines of colleges and universities how to prevent and deal with underage and dangerous drinking on campus. The PLCB also helps communities create comprehensive coalitions to address underage and dangerous drinking.

ENERGY ASSISTANCE PROGRAMS

Budget Billing—All residential customers may contact their electric or natural gas company and request budget billing at any time. Each monthly bill will be the same amount. The company may adjust the bill four times a year, up or down, depending on the customer's usage.

Customer Assistance Program (CAP)—CAPs can lower your monthly utility bill. CAPs may also remove the amount you already owe. Each company has a CAP and works with the customer to determine what the customer can pay versus the cost of energy used.

Customer Assistance Referral and Evaluation Program (CARES)—The CARES program helps customers with special needs. CARES may help you find ways to pay your utility bill. For example, special needs are customers who are experiencing family emergencies, divorce, unemployment or medical emergencies. The goal is to provide support and direction to help customers pay their utility bills.

Hardship Funds—Utility companies have hardship funds that provide cash assistance to utility customers to help them pay their utility bills. Hardship funds provide assistance grants to customers who “fall through the cracks” of other financial assistance programs, or to those who still have a critical need for assistance after the other resources have been exhausted. The funds make payments directly to companies on behalf of eligible customers.

Low-Income Usage Reduction Program (LIURP)—LIURP helps low-income residential customers lower the amount of electricity or natural gas used each month. Typically, the company may install energy saving features in your home to help reduce bills. For example, a smaller bill means your payment covers a greater portion of the bill or perhaps covers the whole bill.

Assistance Qualifications—Customers must meet certain income limits and be payment-troubled to qualify for CAP, CARES, LIURP and Hardship Funds. Payment-troubled usually means customers have made a payment agreement with the company. The chart below shows the income level customers must meet for CAP. The income levels are slightly higher for LIURP, CARES and Hardship Funds. Customers who meet these limits, should call their local electric or natural gas company for details to see if you qualify. Each company's toll-free number is listed below.

2020 Household Size Monthly Income:

• 1 person	\$1,595	6 persons	\$4,395
• 2 persons	\$2,155	7 persons	\$4,955
• 3 persons	\$2,715	8 persons	\$5,515
• 4 persons	\$3,275	For each additional person, add \$560	
• 5 persons	\$3,835		

Low-Income Home Energy Assistance Program (LIHEAP) LIHEAP is a federal program that provides financial assistance to low-income households to pay energy bills. In Pennsylvania, LIHEAP is administered by the PA Department of Human Services (DHS) and consists of three components:

- **Cash Benefits:** Helps low-income customers pay their home energy bill.
- **Crisis:** Helps low-income customers meet home emergency situations and restore services if service has been shut off.
- **Weatherization:** Helps qualified low-income customers reduce their energy consumption through home improvements.

NOTE: Low-income customers who qualify for Cash and Crisis can receive both. Your household income must be within certain limits to qualify. These limits are listed on DHS’ website at www.dhs.pa.gov. If you have more questions about LIHEAP, you may call your local county assistance office or the toll-free LIHEAP hotline at 1-866-857-7095 (individuals with hearing impairments may call the TDD number at 1-800-451-5886).

UNIVERSITY CITY SCIENCE CENTER

www.sciencecenter.org

RESOURCE / GRANT

The University City Science Center—The University City Science Center accelerates technology commercialization, regional economic development, and the market availability of life-enhancing scientific breakthroughs by bringing together scientists, entrepreneurs, funding, and business services. Established in 1963 and headquartered in Philadelphia, the Science Center was the first, and remains the largest, urban research park in the United States. The Science Center offers a menu of commercialization programs that support innovative companies and science research projects across Pennsylvania.

Since 2009, the QED Proof-of-Concept Program has offered academic researchers the mentoring, business advice, and funding they need to commercialize their early-stage life science and healthcare technologies. Support includes business mentorship to help researchers develop a proof-of-concept funding plan and investor pitch, tailored advice from legal and regulatory specialists, and access to industry experts and investors. Up to three projects a year are competitively selected from the annual QED cohort to receive bridge funding and further business guidance, to help the scientists implement their proof-of-concept plans over 12 months. The Science Center selects technologies that have clear product potential in the life science and healthcare markets.

The program is administered through the Technology Transfer Office of each partner research organization. QED's partner research organizations represent over ninety percent of the Greater Philadelphia region's life science research organizations, including the following: Children's Hospital of Philadelphia, Drexel University, Fox Chase Cancer Center, Harrisburg University of Science and Technology, Lankenau Institute for Medical Research, Lehigh University, Monell Chemical Senses Center, Moravian College, The Pennsylvania State University (including the College of Medicine and the Hershey Medical Center), Philadelphia College of Osteopathic Medicine, Temple University, Thomas Jefferson University, University of Pennsylvania, University of the Sciences, Widener University and The Wistar Institute.
