Assistance for Small Businesses

The SBA has announced the Paycheck Protection Program is now open for applications! This loan is designed to help small businesses keep their workers on the payroll. SBA will forgive loans if all employees are kept on the payroll for eight weeks and the money is used for payroll, rent, mortgage interest, or utilities.

Eligible businesses include those with less than 500 employees. The Paycheck Protection Program will be available through June 30, 2020. More information [here](#).

The Foundation for Delaware County has launched the Delaware County COVID-19 Response Fund to provide immediate and longer-term resources to nonprofits serving vulnerable residents across the county.
