The Census Is Hiring

The U.S. Census Bureau is recruiting thousands of people across the country to assist with the 2020 Census. These jobs are critical to ensuring a complete and accurate count. The Census Bureau is paying up to \$27/hour and any benefits you're receiving won't be impacted by this income.

In January, we hosted two Census Hiring Events in Upper Darby and Swarthmore. For more information on job opportunities with the Census, visit 2020census.gov/jobs.
