Hello friend,

Yesterday, the editorial board of the *Pittsburgh Post-Gazette* (the largest newspaper in Western Pennsylvania) endorsed Breonna's Law – my bill to ban no-knock warrants in Pennsylvania.

“This is the low-hanging fruit of police reform, a commonsense correction. Mr. Kearney’s bill would put an end to the deaths, injuries and property damage that predictably result from such reckless policing, and it should be expedited through this legislative session.”

You can read the rest of the editorial endorsement [here](#).

Thanks to you, we now have over 500 citizen co-sponsors of Breonna's Law. Please keep sharing this important fight with your family and friends.

Sincerely,

A handwritten signature in black ink, appearing to read "Tim Kearney".

BREONNA'S LAW

Citizen Co-Sponsorship Campaign

Breonna Taylor should be alive today. But she was stolen from her family and her community because police used a no-knock warrant to burst into her home without warning and shoot her eight times. We must ensure this never happens again. Breonna's Law would ban no-knock warrants like the one that led to Breonna Taylor's death. Add your name as a citizen co-sponsor today.
